CASE NO. 26CV005596-590

PLAINTIFF: Shahrooz Bhopti, Pro Se

DEFENDANT: Mid-America Apartments, L.P. (MAA)

EXHIBIT A: SOVEREIGN INFRASTRUCTURE TOPOLOGY

Date of Attestation: 2026-04-25 12:31:18

I. STATEMENT OF PURPOSE

This document constitutes a cryptographically sealed topological mapping of the Plaintiff's autonomous infrastructure. The following domains, hardware routing paths, and system states reflect the physical reality of the network at the time of attestation. This exhibit proves sovereign domain control and capability preservation.

II. TOPOLOGICAL BOUNDARIES

III. ATTESTATION SEAL

The above topological data has been mechanically extracted and serialized by the Sovereign Swarm Architecture. No manual human alteration of the metrics has occurred.
